## HAPPENINGS AT CES '08

This made FIVE Years for Kubala-Sosna at CES! We have some great memories and experiences from every show, as we do again.

Over those 5 years, many of the rooms we have cabled have been recognized in the press for their performance. We realize that we have been lucky to cable some truly wonderful systems since CES'04 and would like to publicly thank all of our partners for the opportunity to show with them.

Here are comments from some of the rooms we were in this year :

PATHOS/VANDERSTEEN (ST):  
"Very musical, relaxed and involving."

LAMM/WILSON (PFO): "The stirring combination of Lamm, Wilson, and Kubala-Sosna ... was sheer magic."

BAT/SCAENA (ST): "Instant magic. The excellent sound ... proved another sonic home-run."

LAMM/WILSON (SS): "...Entranced with the texture and weight in the instrument's lowest reaches."

GERSHMAN/LAMM (TAS): "One of the Best Sounds of the Show"

TALON/VAC (ST): "Very nice sounding demo."

K-S/KHARMA/TENOR (TAS):  
"Sounded fantastic ... sweet, rich, and full-bodied."

**Jim Merod of BluPort Jazz**  
*Our Music Lovers Series was well attended and well received!*

Among Jonathan Valin's (TAS) **Best of Show** were the following rooms that K-S cabled:
